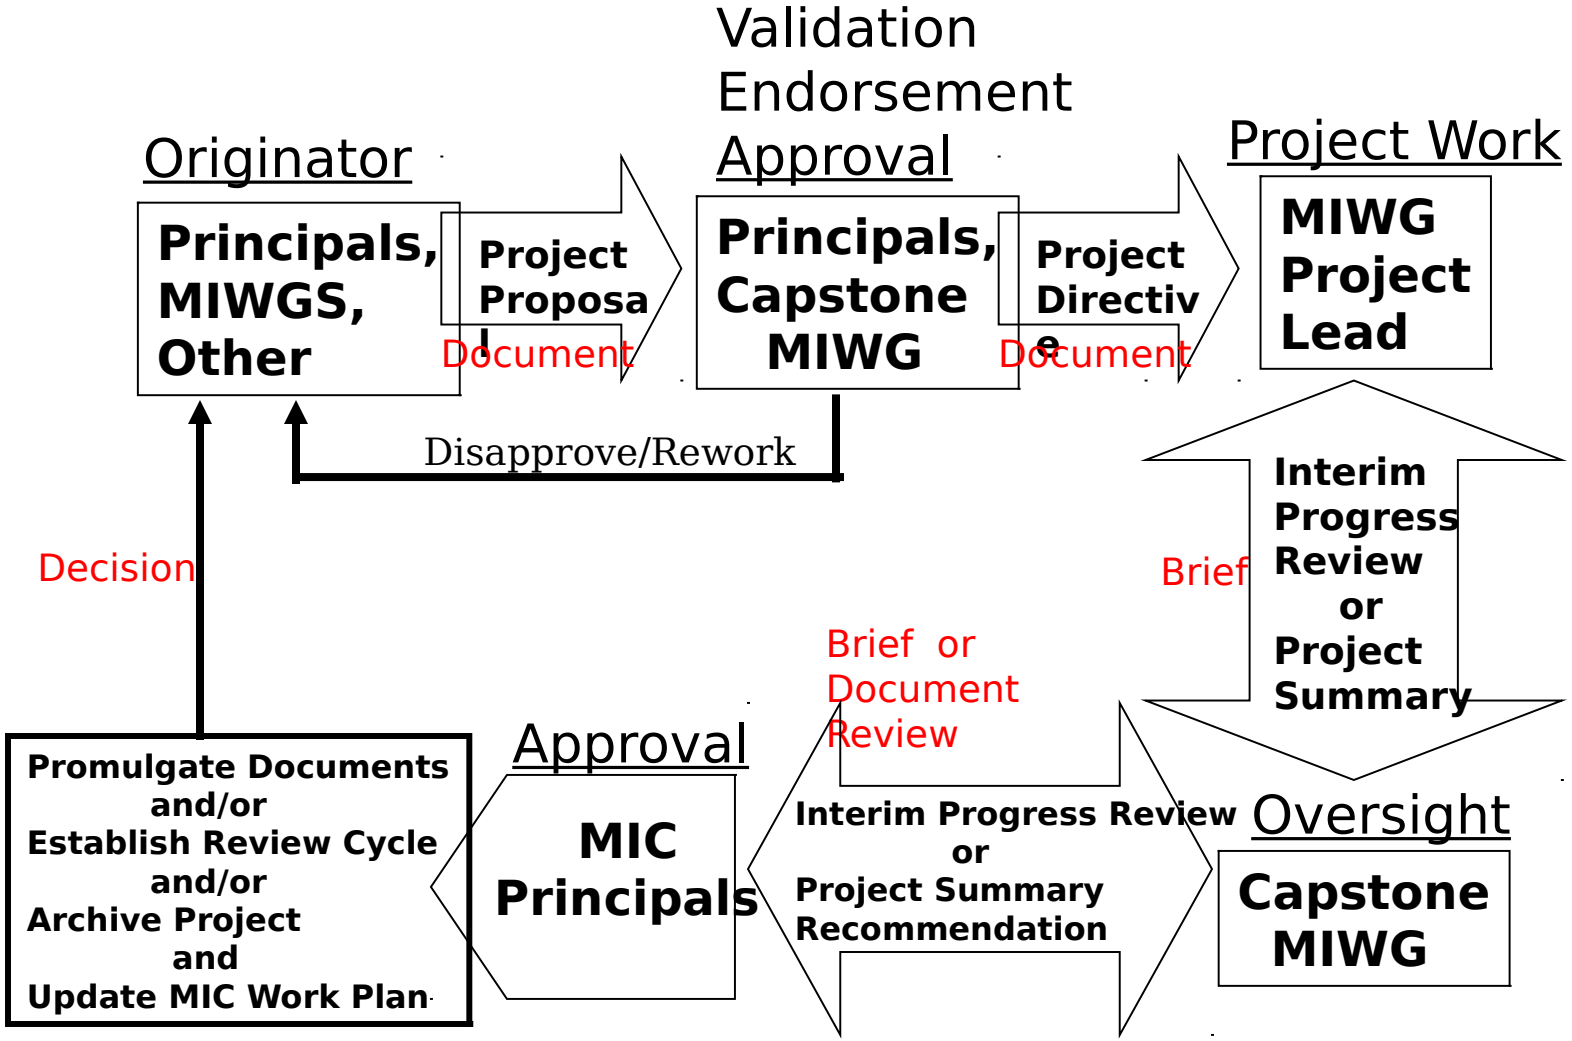
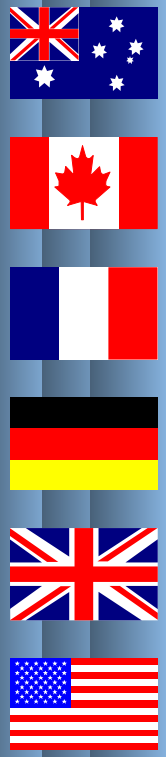
Continue Development of Midterm and Longterm Coalition Logistic Issues

Identification of New Evolving Coalition Logistic Issues

MIC Requirements Process





MIC Membership

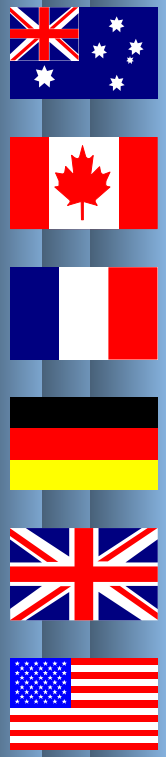
Issue Increased outside interest in the MIC. No formal process to consider new members.

Considerations

- Demonstrated lead nation capability
- Technical competence
- Willingness to commit resources
- Relationship of MIC size to progress
- Observer status—alternative to/requirement for membership

Recommendation

- Maintain current membership
- Evaluate interested countries for observer status
- Capstone develop and publish criteria and process for membership/observer consideration



Questions?
